

March 09, 1993

Mr. Sammy Roberts  
Super All Products Inc.  
Post Office Box 2954  
Spring, TX 77383

Dear Mr. Roberts:

This is in reply to your request for compound authorization received on February 05, 1993 for your product Super All #38.

This product is acceptable as a general cleaning agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs.

Before using this compound, food products and packaging materials must be removed from the room or carefully protected. After using this compound, surfaces must be thoroughly rinsed with potable water.

Acceptance of compounds by this Department is in no way to be construed as an endorsement of the compounds or of any claims made for them.

If any change is made in the labeling information or formulation, the authorization for use in official plants becomes void immediately.

Sincerely,

John M. Damaré, Chief  
Compounds and Packaging Branch  
Product Assessment Division
